

Agenda Overview

Tue 26 May

Time	Event	Location	Speakers
10:00am - 10:25am	Theatre Sponsor Session	Theatre 5	
10:00am - 10:25am	Welcome Ceremony	Frequentis Theatre	
10:00am - 10:25am	ATHENIAN Project Redesigns Athens TMA with Performance-Based Navigation: A collaborative initiative for modernizing airspace operations with operational and environmental benefits.	Boeing Theatre	Presenters: Despoina Papandreou Nikolaos Iosif
10:00am - 10:25am	D-FLIGHT – first year as certified USSP	Wing Theatre	Presenter: Alberto Iovino
10:00am - 10:50am	A6 Alliance: Strategic Vision & European ATM Transformation	Viasat Theatre	
10:30am - 10:55am	Boeing Presentation	Boeing Theatre	
10:30am - 11:20am	CANSO CEO Conversation: ATM Modernisation Across Diverse Fiscal Models	Theatre 5	
10:30am - 10:55am	Safety-Assured AI for Airport Surface Ops: From Early-Warning Safety Intelligence to Modular ATC Automation	Frequentis Theatre	Presenters: Luke Gotszling Yamaç I??k
10:30am - 10:55am	Enabling Scalable Urban Air Mobility Through Automated Flight Rules	Wing Theatre	Presenter: Jia Xu
11:00am - 11:25am	Frequentis Presentation	Frequentis Theatre	

11:00am - 11:50am	Agentic Airspace: From Predictive Tools to Autonomous Negotiation	Viasat Theatre	Moderator: Mile Corrigan Panellist: Akbar Sultan
11:00am - 11:25am	Digitalisation as key element in SESAR ATM modernisation	Boeing Theatre	
11:00am - 11:25am	How to integrate eVTOLs at Munich Airport	Wing Theatre	Presenter: Timothy Aldrich
11:30am - 11:55am	Wing Session 1	Wing Theatre	
11:30am - 11:55am	Indra's Digital System	Boeing Theatre	
11:30am - 11:55am	FF-ICE: Are you ready for 2034 ?	Frequentis Theatre	Presenter: Edson Fagundes Gomes
12:00pm - 12:50pm	Viasat Presentation	Viasat Theatre	
12:00pm - 12:50pm	CANSO APAC: How digital technology can enhance regional collaboration	Frequentis Theatre	
12:00pm - 12:50pm	The role of the ATM sector in the strategic outlook of the European Aviation	Boeing Theatre	
12:00pm - 12:50pm	Towards an ambitious EU Drone Strategy: Clearing the path to real operations	Wing Theatre	Panellists: Andres Van Swalm Enrique Ventas García
12:00pm - 12:50pm	Civil-Military Integration to Ensure Safe and Efficient Airspace	Theatre 5	Moderator: Mateusz Zelek Panellists: Adrian Codi Inga Jankunaite Juan Angel Treceño ?ukasz Godlewski
1:00pm - 1:50pm	CANSO LAC: Airspace Modernisation in the LAC Region	Boeing Theatre	
1:00pm - 1:50pm	CANSO OSC: Space Operations	Frequentis Theatre	

1:00pm - 1:50pm	Resilient Skies: Securing the resilience of the pan-European network against emerging threats	Viasat Theatre	
1:00pm - 1:50pm	A new era of surveillance – how the U.S. is modernizing its ATM infrastructure	Theatre 5	
1:00pm - 1:25pm	EURIALO: Resilient ATM Surveillance from Space	Wing Theatre	Presenter: Alvaro Morillo
1:30pm - 1:55pm	Deployment of U-space in Spain in 2026	Wing Theatre	Presenter: Daniel García-Monteavaro Vizcaíno
2:00pm - 2:25pm	Frequentis Presentation	Frequentis Theatre	
2:00pm - 2:25pm	Boeing Presentation	Boeing Theatre	
2:00pm - 2:25pm	Wing Session 2	Wing Theatre	
2:00pm - 2:50pm	CANSO Safety	Theatre 5	
2:00pm - 2:50pm	Navigating Europe's air traffic: the current air traffic situation, operational challenges and how Europe can optimise existing capacity	Viasat Theatre	Moderator: Iacopo Prissinotti Panellist: Peggy Devestel
2:30pm - 2:55pm	AAM is Taking off – Real operations and deployments	Wing Theatre	Presenter: Jose I Rodriguez
2:30pm - 2:55pm	Leidos Presentation	Frequentis Theatre	
2:30pm - 2:55pm	Data-driven ATC selection and simulation: Airways' formula for ATC training excellence	Boeing Theatre	Presenters: James Evans Kelly de Lambert
3:00pm - 3:50pm	CANSO Tomorrow's Voices: Building the Talent and Innovation Ecosystem Aviation Needs	Boeing Theatre	
3:00pm - 3:50pm	EU's roadmap towards the new service delivery model	Viasat Theatre	

3:00pm - 3:50pm	The future is already in orbit: user perspectives on space-based VHF communications	Frequentis Theatre	Panellist: Juan José Cornejo Fernández
3:00pm - 3:25pm	The resiliency gamble	Wing Theatre	Presenter: Mark Green
3:00pm - 3:25pm	Remote TWR Control Center activation	Theatre 5	Presenter: Paolo Nasetti
3:30pm - 3:55pm	Rethinking ATC Simulation: Why Fidelity Alone Doesn't Deliver Better Training Outcomes	Theatre 5	Presenter: Teddy Woodhouse
3:30pm - 3:55pm	Traffic Complexity tool to Support sustainable operations	Wing Theatre	Presenters: Giuseppe Di Bitonto Marcello Davide Mannino

Wed 27 May

Time	Event	Location	Speakers
10:00am - 10:25am	Thales Presentation: Cybersecurity in ATM	Theatre 5	
10:00am - 10:25am	Fireside Chat: What will be AI's role in Air Traffic Management?	Frequentis Theatre	Presenter: Helena Sjöström
10:00am - 10:50am	EU Funding and partnerships	Wing Theatre	
10:00am - 10:50am	The benefits of Common Project 1 deployment in Europe	Viasat Theatre	
10:00am - 10:50am	Scaling ATCO Training: CBTA, Data, and Instructor Judgment	Boeing Theatre	Moderator: Bartosz Orłowski Speaker: Mateusz Zelek Panellists: Grzegorz Knast Inga Jankunaite Juan Antonio Lombo Moruno Jurgen van Aevermaete Katrijn De Mecheleer Paul McCann

10:30am - 10:55am	Enhancing Aviation Performance and Flow Management through Generative AI and Advanced Machine Learning Frameworks	Frequentis Theatre	Presenter: Christoph Czech
10:30am - 10:55am	HAPS Operations at Scale: Defining the Roadmap for Cross-Border Cooperative Separation	Theatre 5	Presenters: Andy Thurling Leo Bouygues
11:00am - 11:50am	Frequentis Presentation	Frequentis Theatre	
11:00am - 11:50am	CANSO CEO Conversation	Boeing Theatre	
11:00am - 11:50am	Assuring the Autonomous NAS: Verification, Validation, and Certification	Theatre 5	Moderator: Mile Corrigan Panellist: Akbar Sultan
11:00am - 11:25am	Supporting civil and military ATM – Deployable towers	Viasat Theatre	Presenter: Niclas Gustavsson
11:00am - 11:25am	From Surveillance Target Generation to Multi-Navaid Validation Using Drones	Wing Theatre	Presenters: Domien De Ruyck Hervé Demule
11:30am - 11:55am	Wing Session 3	Wing Theatre	
11:30am - 11:55am	SWIM – delivering tangible value to partners and the wider air navigation community	Viasat Theatre	Presenter: Tsvetan Penev
12:00pm - 12:25pm	Wing Session 4	Wing Theatre	
12:00pm - 12:50pm	CANSO Innovation	Viasat Theatre	
12:00pm - 12:25pm	Lifting ground operations at Paris Charles de Gaulle to CP1 standards	Theatre 5	
12:00pm - 12:50pm	Human-Centered AI in Air Traffic Control Training and Operations	Boeing Theatre	Moderator: Terry Biggio
12:00pm - 12:50pm	A6 Alliance: Digitalisation, Virtualisation & Operational Innovation in European ATM	Frequentis Theatre	

12:30pm - 12:55pm	Extending the cross-border arrival streaming concept through an optimized arrival stream into capacity-constrained airports	Theatre 5	Presenters: Adam Gunnett Adrian Clark Andy (Szabolcs) Borgyos
12:30pm - 12:55pm	From Concept to Console: Germany's ATCO Operational Model for Drone Integration in CTRs	Wing Theatre	Presenter: Markus Biedermann
1:00pm - 1:50pm	CANSO EUR: Resilience and civil-military cooperation	Theatre 5	
1:00pm - 1:50pm	Innovation to Enable Future Skies: Building Resilience and Efficiency or Building Complexity?	Viasat Theatre	Moderator: Yasudha Sahi
1:00pm - 1:50pm	The future of air traffic management: How ready are we for AI integration?	Frequentis Theatre	Moderator: Claudia Bacco Panellists: Dirk Kuegler, Prof.-Dr.-Ing. Eduardo García, PhD Marius Muenstermann
1:00pm - 1:25pm	The Next Gen ATM platform	Boeing Theatre	Panellist: Magnús Már Þórðarson
1:00pm - 1:25pm	Punctuality at capacity: a Heathrow-NATS operational case study	Wing Theatre	Presenters: Ben Sandford Diogene De Souza
1:30pm - 1:55pm	Advancing ATM Through ANSP and Industry Partner Co-Development	Boeing Theatre	Presenter: Will Estrada
1:30pm - 1:55pm	The journey from CP1 to SWIM Compliance	Wing Theatre	Presenters: Jasper Kryger Jacko Mads Grønfeldt
2:00pm - 2:50pm	CANSO Regional Spotlight	Boeing Theatre	
2:00pm - 2:25pm	Thales Presentation: AI in ATM	Frequentis Theatre	
2:00pm - 2:25pm	Viasat Panel	Viasat Theatre	

2:00pm - 2:50pm	Breaking out of the Walled Garden: Interoperability within Service-Oriented Architectures for the Automation Platforms of the Future	Theatre 5	Panellist: John Oravis
2:00pm - 2:25pm	Towards more meaningful ANSP cost-effectiveness benchmarking	Wing Theatre	Presenter: Juraj Jirku
2:30pm - 3:20pm	Regulations and certification	Wing Theatre	
2:30pm - 2:55pm	Testability under Continuous Change in ATM Systems – Lessons from ATM System Test Tool towards ApprovAir	Viasat Theatre	Presenter: Attila Mészáros
2:30pm - 2:55pm	Knowledge Graphs, AI, and Ontologies: Unlocking the Next Level of Aviation Safety Analysis	Frequentis Theatre	Presenter: Morales de Frías
3:00pm - 3:25pm	Boeing Presentation	Boeing Theatre	
3:00pm - 3:50pm	Enabling a Trajectory-Based future: CNS technologies powering tomorrow's airspace	Frequentis Theatre	
3:00pm - 3:50pm	Civil-military cooperation at the EUROCONTROL Maastricht Upper Area Control Centre (MUAC)	Theatre 5	Moderator: Chris Jeeves Panellist: Peggy Devestel
3:00pm - 3:50pm	Successful Partnership in modernizing European ATM	Viasat Theatre	
3:30pm - 4:20pm	CANSO Innovation: The GANP and the ICAO Minimum Implementation Path	Wing Theatre	
3:30pm - 4:20pm	Accelerating ATC Training Evolution Through Proven Industry Practices	Boeing Theatre	Panellist: Sandra Roupael
4:00pm - 4:25pm	Theatre Sponsor Session	Theatre 5	

4:00pm - 4:25pm	Be ready for the future of aviation: Modernize, secure and future-proof ATM communications ground-ground network	Frequentis Theatre	Presenters: Laurent Phimpachanh Maya Chbeir
4:00pm - 4:25pm	Yin and Yang – Safety and Security Balancing in Perfect Harmony for a Multistatic System	Viasat Theatre	Presenters: Inga Jankunaite Vojt?ch Pék

Thu 28 May

Time	Event	Location	Speakers
10:00am - 10:25am	Viasat Presentation	Viasat Theatre	
10:00am - 10:50am	New entrants	Boeing Theatre	
10:00am - 10:25am	Invisible Risk: Why Fatigue, Mental Health and Psychological Safety Are Aviation's Next Safety Frontier	Theatre 5	Presenter: Mabble Munyimani
10:00am - 10:25am	Accelerating AAM Commercialisation – Aligning Operators, UTM Service Providers, and Vertiport Developers	Wing Theatre	Presenter: Richard Ellis
10:30am - 10:55am	Wing Session 5	Wing Theatre	
10:30am - 10:55am	Vertipad innovations to deal with downwash/outwash, fire risk and noise – the showstoppers for Advanced Air Mobility	Viasat Theatre	Presenter: Clem Newton-Brown
10:30am - 10:55am	Advanced Air Mobility High Resolution Weather Requirements	Theatre 5	Presenters: Gabriele Enea Jordan Cohen
11:00am - 11:25am	Frequentis Presentation	Frequentis Theatre	
11:00am - 11:25am	Boeing Presentation	Boeing Theatre	
11:00am - 11:50am	CANSO CEO Conversation: The Next Generation of ATM, Where Technology Meets Talent and Diversity	Viasat Theatre	

11:00am - 11:50am	Where advanced engineering meets a human-centric vision for tomorrow's services	Theatre 5	Moderator: David Elmalem Panellists: Christophe Rouquié François Triboulet Klaus Meier Meriem Oubelkass
11:00am - 11:25am	Beyond Legacy and Lock-In: An ANSP's Journey to an Open ATM Platform	Wing Theatre	Presenter: Marco Rueckert Panellist: Steve Anderson
11:30am - 11:55am	Digitalisation and the CNS Technical Workforce: Through-life Performance Management and Closing the Capability Gap in Radar Surveillance	Wing Theatre	Presenter: Darren Gillam
11:30am - 12:20pm	CATRes: Advancing Our Understanding of Disruption and Resilience	Boeing Theatre	Presenters: Max Li Wayne Hubbard
11:30am - 11:55am	The GPS Hangover: Understanding GNSS Corruption and Carryover Effects in European Airspace	Frequentis Theatre	Speaker: Matthias Schäfer
12:00pm - 12:25pm	Theatre Sponsor Session	Theatre 5	
12:00pm - 12:50pm	CANSO – Change Management	Frequentis Theatre	
12:00pm - 12:25pm	Aireon Space-Based VHF – A Global Perspective	Viasat Theatre	Presenter: Michael Garcia
12:00pm - 12:25pm	How Digital ATM – From Remote Towers and Centralised Data Platforms – Creates Opportunities for UTM, BVLOS, AAM, and Vertiports	Wing Theatre	Presenter: Mark Balsdon
12:30pm - 12:55pm	From Qualitative to Quantitative Risk Assessment: Operationalising High-Resolution, National-Scale Airspace Characterisation	Viasat Theatre	Presenter: Aaron McFadyen

12:30pm - 12:55pm	The Low-Altitude Economy Takes Shape in the Middle East: From Policy Gaps to Real-World Deployment	Theatre 5	Presenter: Walid Meskine
12:30pm - 1:20pm	From Concept to Controlled Airspace: Enabling the First Civil HAPS Operations in Europe	Boeing Theatre	Moderator: Juan José Sola Panellist: Rafael Pecos Macías
12:30pm - 12:55pm	Drones & UTM in Africa: Building a Scalable, Secure and Inclusive Airspace – The Nigerian Blueprint”	Wing Theatre	Presenter: Charlotte Essiet
1:00pm - 1:25pm	Theatre Sponsor Session	Theatre 5	
1:00pm - 1:25pm	Operationalizing BVLOS: Practical Experience from Last-Mile Medical Drone Delivery	Wing Theatre	Presenter: Luke Tchoka
1:00pm - 1:25pm	Weathering the storm: How innovative capacity and weather-based procedures are reducing delays and boost resilience in the pan-European network	Frequentis Theatre	Presenter: Yolanda Portillo
1:00pm - 1:25pm	Is ICAO Doc 4444 Still Fit for Purpose? Updating Wake Turbulence Provisions for Today’s Airspace	Viasat Theatre	Presenter: Victoria G Alcaraz Ortega
1:30pm - 1:55pm	Human Expertise, AI Support: Unlocking Real Operational Value in ATM	Wing Theatre	Presenter: Abdul Musawwer
1:30pm - 1:55pm	Data4Safety: European collaborative data-driven safety Intelligence – an ANSP Perspective	Frequentis Theatre	Presenters: David Morales Núria Alsina Pujol
1:30pm - 1:55pm	Mitigate warming contrails and non-CO2, where are we?	Boeing Theatre	Presenter: Philippe MASSON

1:30pm - 1:55pm	Change Management as a mandatory enabler for ATM Transformation	Theatre 5	Moderator: Sabrina Younsi-Yuth Presenters: Frederik Rasmussen Marc Baumgartner Marouan Chida
1:30pm - 1:55pm	Enabling Trajectory-Based Operations through OLDI Modernization over SWIM Yellow Profile	Viasat Theatre	Presenter: Chiara Conti

*The agenda is subject to change.
